

# DAILY TIM

The Daily Bull is probably not suitable for those under age 18 and should not be taken seriously... like emo bands!

## Tim Kotula is Out of Article Ideas

By Tim Kotula ~ Daily Bull

Why I was dumb enough to take on the challenge of writing a *Daily Tim*, I'll never know. I swear I wasn't drunk at the time, but maybe someone slipped something onto my pizza. Yeah, that's it.

So now I'm stuck writing multiple articles this week, and I have no clue what to write about. I came up with the following list of appropriate topics.

- CS Majors Stink, LOL
- ASIA!
- An Analysis of the Gum Disease Known as... (wait for it)... *GINGIVITIS*
- Northern Chicks Have STDs, HAHA
- Obscure Minorities We Hate
- France
- Phil Ribero
- ASMTU Sucks
- Ms. Frizzle's Hair
- Lode Grammar Blows,
- ...see Ideas?... **FAIL on back**

## Reasons to Hate Nickelback

By Tim Kotula ~ Daily Bull

- 1. Many of their songs sound the same.** Oh wait, they *are* the same. If this website doesn't make it any more obvious, I don't know what to say - <http://www.thewebsite.net/nickelback.htm>.  
**2. Chad Kroeger sings like he just drank half a bottle of 5 O'Clock.** As his voices cracks and gargles through every song, you get the feeling that some poor recording engineer had to spend hours in the studio, tweaking and adjusting each track to make his singing tolerable. Personally, I would've hung myself from the ceiling with a microphone cord.  
**3. They wouldn't know a guitar riff if it hit them in the face.** Does every single one of their hits have to feature the same boring, heavy bass line, soaring chorus and general structure as the rest? None of their songs contain any moshable, headbangable, air guitar-able or otherwise memorable parts. Critical fail.  
**4. Their lyrics bore many people to tears.** Ever wonder how Nickelback got their name? Damned if I know, but if I had to guess, it probably went some-
- thing like this. Some random person went to one of their little shows before they were famous and paid a penny to see them. After the show he or she went up to them and said, "That was so awful, I demand at least a nickel back!" The rest, as they say, is history.  
**5. They tirelessly defend themselves with the same bullshit.** They claim that their songs have a 'hit quality' and compare themselves to AC/DC. Newsflash: AC/DC could actually play their instruments, and neither of their lead singers sounded like they were hung-over or constipated.  
**6. They play dress up to try and look 'hardcore'.** Ripped jeans, 'Jesus locks' and scruffy-looking goatees do not make you look hardcore; they make you look like posers.  
**7. Every time someone plays a Nickelback song, God kills a puppy.** You wouldn't want that to happen to a cute, harmless puppy would you? I mean, wack off all you want, to hell with kittens, but leave the puppies alone. They

 chew your favorite slippers.

Naturally, I have another rant on  
 pop-emo bands, but I'll save that for  
 another day when I make the mistake  
 of taking on a *Daily Tim* and can't think  
 of anything else to write/complain  
 about. So, I leave you with a partial  
 parody that sums up my thoughts...

*'Cause we're all just sappy wannabe  
 rockstars  
 We write the same old lyrics, to af-  
 ford our cars  
 We'll wear ripped jeans just to seem  
 "hardcore"  
 Play the same damn riff, every track's  
 a bore  
 And we'll, hack through our generic  
 songs  
 About VIPs, girls, and great big  
 bongos  
 We're killin' rock music*

*But our fans don't care  
 Don't we look cool  
 Sportin' bits of facial hair?  
 Hey hey we're wannabe rockstars  
 Hey hey we're wannabe rockstars* ☹

...**Ideas?... FAIL from front**

LULZ  
 -A word I probably shouldn't print  
 that starts with "boo" and ends with  
 "Cock, eh?"  
 -I FOUND WALDO!  
 -Glen Mroz's Stogie Box  
 -*Daily Bull* Clichés – A Love/Hate  
 Relationship

I've come to the conclusion that  
 these topics are all old, worn-out,  
 and too familiar. You, the *Bull* audi-  
 ence, deserve better than that for  
 once (woah, not *that* much better!  
 Let's not get ahead of ourselves  
 here). So, as a tip of the cap to  
 one who shall be referred to only as  
 "Twitch Boy", I present to you a list of  
 jokes. If it was good enough for him,  
 it's good enough for me.

Three Irishmen walk out of a bar.

Q: How many kids with ADHD does  
 it take to screw in a lightbulb?  
 A: Wanna go bike riding?

Q: How do you get two piccolo  
 players to play in perfect unison?  
 A: Shoot one.

Q: What's the difference between  
 a dead squirrel on the highway and  
 a dead trombone player on the  
 highway?  
 A: The squirrel will have skid marks  
 in front of it.

You might be an engineer if you have  
 no life, and can prove it mathemati-

cally:  
*lim* Engineering Major (GPA → 0) =  
 Business Major

Q: How many MTU students does it  
 take to change a light bulb?  
 A: None, we enjoy playing Halo 3  
 in the dark.

Q: How many UMich students does  
 it take to change a light bulb?  
 A: Four – one to change the bulb and  
 three to brag about how they did it  
 just as well as any Ivy Leaguer.

Q: How many MSU students does it  
 take to change a light bulb?  
 A: 10,000 – one to change the bulb

and 9,999 to riot and set the build-  
 ing on fire. for it.

Q: How many GVSU students does  
 it take to change a light bulb?  
 A: One, but he or she gets six credits  
 for it. Q: Why did Kurt Cobain never learn  
 to drive a car?  
 A: Because he preferred riding  
 shotgun. ☹
