The Daily Bull is probably not suitable for those under age 18 and should not be taken seriously... like the declining dollar!

## Women On Top

By Christine Dempsey  
~ Daily Bull ~

With the primaries in full swing, it's time to take a closer look at one of our favorite candidates: Hillary Rodham Clinton. We ignore that she flip flops on every issue (she supported Bush on the Iraq War Resolution and is now firmly against it), or that she had a rather poor performance in that debate against Obama and Edwards. Never mind the fact that she was on the Walmart Board of Directors and was silent about their anti-labor union practices. Who cares that she's an "overbearing yuppie wife from hell"?

No, the really important thing is that she's a woman, right? She plays the gender card often enough. And somehow, people are voting for her simply for that reason, saying, "It's high time we had

## Come On Down!

By Nathan "Invincible" Miller ~ Daily Bull

Alrighty all you avid Daily Bull readers out there! Are you ready for this? Probably not. Why's that? Cause I haven't told you what to be ready for yet. It's like all those times you're just sitting there and all of a sudden **THINK FAST!** something hits you in the face. You should be more prepared for abrupt events – after all, even though we were voted 3<sup>rd</sup> safest (SAFETY 3<sup>rd</sup>!!!) school in the country, gun wielding wannabe bad asses can pop out of any corner.

No, this isn't going to be another game of "Dodge the Bullets," as much fun as that'd be. No, this is going to be a little game I like to call **Viewer Participation!** Dun dun dun! "Aww but Nathan, I already have a hard enough time participating in class, I don't want to answer your silly questions!" you may whine. Silly questions? Who said anything about being silly?

I certainly was meaning to, but now I can't anymore. Never fear though, this isn't going to be graded. Think of this as an opportunity quiz of sorts. There is *no possible way* you could lose, unless you play the Game. All you have to do is send in your response to [invincible\\_bull@mac.com](mailto:invincible_bull@mac.com) and I will analyze it with painstaking detail to figure out something and come up with a winner.

"What'll we win, will it be a gold bar or a gallon of gas or a crumpet?!" Of course not, I don't eat crumpets. The winner will receive one paid vacation to come down and say some stuff on air during my WMTU radio show, along with a full-length article about them. Now how's that for incentive? I may even give you a hug, if you're lucky.

At any rate, I will probably include

everyone who participates in an article, so you'll all have your name in lights even if you send me a message saying, "I like Invincible 8 times as much as Amazing does." And no, that isn't an obvious hint or anything. Hint hint.

And here we go! Answer the questions however you like, and good luck! May the best hominid win.

1. Two men walk into an **iron** bar. What part of the world do they live in, and in what time period?
2. A baby giraffe and a baby zebra are both munching on delicious passion fruit when suddenly [enter next scene here]!
3. If Johnny Knoxville, Zapf Brannigan, and Kurt Cobain got into a fight, who would win?
4. Richard Nixon once said:
5. What is the very enormous propaganda poster I made in my room?
6. *Why don't italics lean to the left?*

7. How many miles would you walk for a girl: A. fourteen, B. five hundred, C. one thousand, or D. I would drive.

8. If you were to die tomorrow, would you rather listen to Rick Astley's "Never Gonna Give You Up," or, "Gonna Make You Sweat" by C+C Music Factory, on your deathbed?

9. What color is Rommel?

10. What book is the quote, "Tenser, said the Tensor; Tension, apprehension, and dissension have begun," from?

Extra Credit! If you have a pile of old VHS tapes or 8-track players lying around, I may have some interest in them. +5 kudos for each movie I'd like to watch, and +100k thousand trillion golden rings (every one from all the Sonic games) for each 8-track player, regardless of condition.

us trouble, we can just send her in to assassinate their leaders and steal their children. Oops, I meant adopt.

**Paris Hilton** – This heiress has got enough money to get our country out of debt (finally). At her third-grade reading level, she won't have the time to ruin movies and music anymore. Not to mention the roads will be safer because she'll have a chauffeur to keep her from driving.

**Queen Latifah** – Female and black – it's Hillary and Obama rolled into one, though with a much better voice. And curves. England wised up and got a queen, why shouldn't we?

**Shakira** – While we're pulling the gender card, the candidate might as well be Latina and pull the minority card as well! Just like Elizabeth I, all she has to do is shake those hips and they'll give her the world on a platter (what world leader wouldn't want that body in bed, I mean, in office?)

a woman president!" But honestly, there are a million other women I'd vote into office before Hillary. So just for your reading pleasure, I've compiled a short list of the women we would rather see on top. Not Hillary - not on top, bottom, side or even in the bed at all. (You know there's a reason Bill had all those affairs.)

So here's the list of the women we want to see in bed...err, I mean, in office:

**Angelina Jolie** – She already acts like she owns the world, so we might as well give her some real power. Besides, if any foreign countries give

**Katie Holmes** – Not really, I would just love to call Tom Cruise the First Lady.

**Sarah Michelle Geller** – she was Buffy the Vampire Slayer, need I say more?

**Keira Knightley** – She can handle the pirates on and off screen, and a little thievery might help the economy (steal from the rich, give to the poor sort of thing). Secondly, that girl's so skinny, she can slip out of any corner Congress backs her into (or any shirt, dress, bra... you get the picture)

**Ellen DeGeneres** – female, homosexual, world famous and funny – what

more do you need in a world leader? You know how much we could piss off the Taliban with a lesbian in a spiffy suit in charge – it'd be worth it if that was the only reason you voted her in. I mean, picture the Hawaiian Chair in the Oval Office...

**Britney Spears** – I think it's safe to say we're all sick of Bush in office, and we know this lady waxes. As an added bonus, she'll take us back to the colonial days with those wigs she wears.

**Michael Jackson** – Just checking to see if you were paying attention. But really – I know I'm not the only one who thinks he looks like a girl with his

new face.

**Madonna** – Anyone who can turn 50 and still look that good deserves this position. She's got it all, perky breasts, toned arms, great abs, long legs (did I mention she's very flexible?). Plus she's all for the environment and against AIDS, how can you turn her down? And then she can pardon all of Angelina's gypsy-like child snatching.

When it comes to women on top, I think any of these ladies will really know how to ride the pony. At the very least, they look better in silk and satin than that ambitious bi... aww hell, we all know she's asexual. 🍷
