Bull vs. Bull: Pres. Candidates

Obama found to be Antichrist

By Jeremy "Mr. Sunshine" Loucks
~ Daily Bull ~

In shocking news reported earlier this week, some new evidence has come to light showing that Barack Obama, the popular Democratic candidate for the presidency, is actually the antichrist in disguise. Many of his supporters were shocked, one of them saying, "I knew something was fishy with all the virgin sacrifices and the promises of 'change,' but this is absolutely insane! I'm out of here before my eternal soul burns in the hell-fire!" Some others, including Pohn Jastore, had this to say: "Well, I'm all for it. It's better to be on the winning side and rule for all eternity! I mean, at least we'll get air conditioning for following him right?"

Some of the evidence released had to do with Barack's uncanny ability to fulfill biblical prophecies ...see Obama vs. McCain! on back

Presidential Write-ins

By Liz Fujita ~ Daily Bull

It's election time! Hooray! The ads, the rallies, the suspense will be over soon! For me, it partly is – I've already mailed in my absentee ballot, so I'm not as excited as many for today's polls to open. As I was filling it out, the temptation seized me to write in a candidate. I didn't. I should have. Don't make my mistake, guys. Keep the following candidates in mind, since your vote could hugely impact the fate of our country!

Candidate: David Palmer

Party: Democratic

Reason: He is the only man Jack Bauer trusts, a good man, one of the only TV characters I've ever cried over (season five broke my heart). He makes us all feel safe ("Allstate. Are you in good hands?"), and by George if I could have one wish, I would want David Palmer to be real.

Candidate: Steve Jobs

Party: Apple

Reason: He already owns half the planet. Why not go ahead and make his dominion over the American people official? Millions of folks will already do everything he says like strange Apple zombies. iAmerica, here we come!

Candidate: Gandalf

Party: Grey

Reason: The man can survive a battle with a Balrog while plummeting umpteen feet into icy waters and up the stairs of Zirak-Zigil, *without cheat codes*. I'm pretty sure if he were in charge, the crisis in Iraq would be quickly averted. He'd just turn everyone involved into nice, peaceful platypodes. Problem solved.

Candidate: Ford Prefect

Party: 42

Reason: College students would like Ford Prefect. He lessens problems by drinking beer. Not only that, he could create new penal colonies on other planets, and clear out those prisons that everyone here is always complaining about. Fewer prisons and Pan-Galactic Gargle Blasters for all!

Candidate: Pavel Datsyuk

Party: Stewards of Lord Stanley

Reason: His ninja powers would seep from the Oval Office like so many STDs from Paris Hilton harmonious music dancing out of your speakers. No one would really have problems anymore, because everyone would be too awesome for strife. He would dip his quill in ink from the Stanley Cup, and its magic would grace every bill ever signed into law.

Candidate: The Weighted Companion
 Cube

Party: LAN
Reason: It will never threaten to stab
 me, and, in fact, cannot speak. That
 sounds like a darn good leader to
 me – one that won't try to kill people,
 and won't open its mouth and say
 something dumb. Here's looking at
 you, Dubya. ☹

...Barack vs. John! from front

about who the antichrist really is.
 Below is a list of some of the many
 ways Mr. Obama fills that role.

He will come as a man of Peace. It's
 true, Barack is promising ends to all
 sorts of world conflicts, not just our
 own in places like Iraq. Check!

*He will become the most powerful
 man on earth.* Hmm...President of
 the most powerful nation on earth?
 That would definitely be a check in
 that box.

*The antichrist will be "the king of the
 south."* Well, not only is Obama popu-
 lar in the south, his ancestry is from
 Kenya, which is south of the holy
 land, Jerusalem. People in Kenya ab-
 solutely adore Obama with a fervor
 not seen since N'SYNC first debuted
 and seduced half of America's teen-
 age girls. Check!

He will come as a deceiver of men.
 Well, he's a politician. Check!

He will promote immoral practices.
 He supports gay marriage, which is
 strictly forbidden in the Bible, citing
 such famous events as the destruc-
 tion of Sodom and Gomorrah.

In addition to these biblical sources,
 you can also consult astronomical
 sources. Both the Mayan calendar
 and Nostradamus predict the end of
 the world will be 2012. If elected,
 Obama's term would END in 2012,
 meaning he would be the cause of
 the destruction of the earth!

Finally, even numerology, a very trust-
 ed science, is against Mr. Obama.
 Obama was born on 8/4/1961. If
 you use that guy's Roman Numerals
 technique (add up all the letters that
 have a value in Roman Numerals, e.g.
 V = 5, L=50, etc), the word "ELEC-
 TION" gives you 151. If you add the
 individual digits, you get 7. If you then
 take this away from Barack Obama's
 birth-year (1961), you get 1954.

Now, if you implement the Roman
 Numeral Technique above you get
 the following -
 DEMOCRATIC = 171
 CANDIDATE = 1011 (we'll ignore
 the 0, giving 111)
 BARACK = 100
 HVSSSEIN = (No 'U' in Latin, remem-
 ber!) 6
 OBAMA = 1000

Now if you add them all up, you get
 1288. If you take that 1288 away
 from 1954, guess what you get?
 666

This is clear and irrefutable proof that
 Barack will bring about the end of the
 world as he is truly the antichrist. No
 word as of yet as how this will af-
 fect the election, but some sources
 think that this will almost guarantee an
 Obama victory.

McCain Dies After Winning Election

By Benjamin Loucks - Daily Bull

November 4 is the official day that
 the polls open to allow the woefully
 underinformed citizens of the United
 States to elect their President. Voters
 across the country will cram them-
 selves into a small stall with poor
 punchcards that will create dimpled
 chads which will plague our news
 media for weeks after the fact.

However, in a stunning turn of events
 yesterday, Barack Obama has al-
 legedly traveled back through time
 and, after giving amazingly accurate
 proof that he is a traveler from the
 future (including noting a Detroit
 Lions season of 0-16 and provid-
 ing factual evidence that MTU's Pep
 Band is STILL banned from NMU af-
 ter the election), this time-traveling
 presidential candidate has informed
 the media that after his sweeping
 win of the presidency, John McCain
 suffered a fatal double asphyxiation
 and heart attack from choking on his
 own spittle and being an old geezer
 simultaneously. In a press conference
 on his mobile campaign base, he ex-
 pressed his deepest condolences to
 the soon-to-be-widowed Ms. Cindy
 McCain and the soon-to-be-dead
 John McCain.

During his press conference, Senator
 Obama was quoted as saying "...My
 fellow Americans, John McCain is a
 good man even if he is completely
 and fundamentally flawed in his be-
 liefs that he has any chance of win-
 ning the presidency, and I would like
 to publicly state that his death will be
 a sad day for Republicans and Dem-
 ocrats alike. I am currently arranging
 in the present time that Senator McCain
 has funeral arrangements prepared
 for the upcoming days. He is truly a
 man that will be missed. Thank you."
 When queried as to his mode of
 transportation through time, Obama
 simply replied, "When I said I was go-
 ing to bring about change, I meant it.
 Visit the Neptunian Planetary Library
 in three weeks to find out more."
 Senator Obama was unavailable for
 questions from Daily Bull journalists at
 the time of this publication.

A spokesperson for the McCain plat-
 form has already discounted McCain's
 rumored dropout of the race, saying
 that "...Senator Obama may THINK

he is winning but regardless of if he
 is elected or not, we will still triumph
 when he least expects it. Senator Mc-
 Cain has already informed us that his
 death will not halt any progress he is
 making towards becoming President
 of the United States in 2008 and he
 feels that a dead President is even
 more beneficial to the White House
 than a Democratic President will ever
 be. So nyah-nyah-nyah-nyah-nyah-
 nyah, Democratic Party."

Senator McCain was also not directly
 available for comments from Daily Bull
 journalists, leading many to speculate
 that McCain has already passed away
 and his corpse is simply being man-
 ipulated by puppeteers and ven-
 triloquists for reasons unknown. Ms.
 Palin was also unavailable for com-
 ment, failing to return calls from the
 Daily Bull although an aide informed
 the paper that Ms. Palin was currently
 away from her office, hunting more
 wolves from airplanes somewhere in
 Alaska. ☹
Reading the Bull is no excuse to vote. Sorry.
