**12:05 PM.** Yaay! Leaving for the weekend of fun and relaxation! My car is all packed, my weekend is all paid for, just need to check email and print that map my cousin sent me.

**12:06 PM.** 150 emails trashed, 12 read, and 2 sent, now just hit PRINT! Oh, it's a PDF.

**12:07 PM.** Maaaaaaaaaaaaan, I wish this print thing would work. It's like Adobe 8 upped the security of PDF's, making it so you cant even PRINT things.

**12:15 PM.** Yes, thank you geniuses of WECN, I would like to print a PDF of this PDF, that's why I clicked PRINT.

## Army Men Stage Coup d'ètet of Presidential Toy Chest

By Nathan "Invincible" Miller ~ Daily Bull

A platoon of highly trained plastic army men seized the Presidential Toy Chest yesterday, deposing the once powerful Teddy Bear Administration that had ruled since the early 1970s. The army men's leader, First Lt. Yusuf "Pistol Whipper" Rida, has set up a junta and began stationing his troops on strategic fronts across the playroom.

"For too long our squad lay unused and unloved at the bottom of the toy box. Those days are no more!" Triumphed Rida in front of a cheering crowd made up of army men, 2 G.I. Joe action figures, and the 143rd Matchbox Cavalry Division. "The oppression is over my friends. With the help of the Covert Freedom Force, we were finally able to break free from the chains of tyranny and begin our reign anew. Let us build upon our initial success and ensure this great victory will not be forgotten."

The Covert Freedom Force (CFF), a hand-

ful of dark green army men deposited in Sasha Obama's backpack while she wasn't looking, consisted entirely of soldiers equipped with guns in the shooting position, rather than those to the side or above one's head. This, coupled with the rescue of a bazooka soldier untangled from the hair of a My Little Pony enslaver, allowed the army men to topple the regime held by the Teddy Bears since being installed by Amy Carter in 1972.

Almost overnight, the once quiet White House playroom has been transformed into a bustling refugee camp as dozens of displaced toys return to their former community. Many are homeless, without jobs, and alone after losing numerous family members during more than 3 decades of political strife.

"I remember when they took ol' Stretch Armstrong outside 'to play.' We never saw him again," laments a one-eyed E.T. ...see Toy Chest on back

I've said it before and I'll say it again: Piracy pays off. Those Somalians are making a killing!

figurine. "I don't know if the Bush's dog Barney got him, but there wasn't a trace left. Sometimes we'd find someone kicked under the desk in the Oval Office or the by the fireplace in the Green Room. Usually, though, they never came back."

"Ever since we liberated the Toy Chest, there's been a large influx of unwanted toys from nearly forty years of girl-dominated overlords," Rida explains from his watch post on an adjacent table. "We really have to hand it to the kind soul that sent the CFF to aid in our overthrowing of those Bears. I can only assume it was a rebellious 9 year-old boy bent on world domination. A man after my own heart."

Security remains tight around the Toy Chest, as ambushes by the White House janitorial staff could "wipe out everything we've fought for and ruin the first chance at true freedom since JFK Jr. chewed on us back in '63."

"All it takes is one self-centered prick to call 'clean-up time' and it's all over. We'd be done. They'd naturally put us back first, right on the bottom where we've been all these years. That or they'd just throw us in the trash - we're practically disposable. If some kid wants to play with his army men, they'd just buy more. But who would remember what we've done here today? I don't want to think about it. We've got to focus on the future and rebuild what we have lost."

The bulk of the defeated Teddy Bear warriors were reportedly last seen being carried off to Sasha's bedroom, where they will likely remain until she falls in love with a Pony or grows tired of their cold, blank stares. Hopes Rida,

"With luck, they'll just get rid of them after she's left office. Those things are starting to stink anyway." 🐾

want this to show up on PAPER so I can LOOK at it without taking a COMPUTER. I need to TAKE this SOMEWHERE without another computer. As tech savvy as this UNIVERSITY is, a lot of stuff just a mile away is NOT. This is in the U.P. the land so backwoods, nobody knows about it! Like Kentucky, but with less fried food, no signature hard liquor and oh, its FREEZING all the time.

**12:51 PM.** Okay, maybe I can CopyScreen and paste this into a Word document and then finally print it. Hopefully Word knows how to print things.

**1:20 PM.** Why don't these computers have FreeCell?

**1:31 PM.** Okay, now just paste the second image and... where did it go? Okeedokee, I hit paste and Word graciously put the image somewhere OFF THE PAGE. Fine I'll just drag it over... No, over here. PUT THE F#)%(@#sh()!@# IMAGE ON THE PAGE!!!! Graaaaa!

**1:42 PM.** Fine, now just crop off the image. Hey that was easy. Re-

size; nice how Word automatically keeps the aspect ratio, it only took them a decade to figure that one out. Aaaaand PRINT! Alright.

**1:55 PM.** Ugh, why is everyone printing now? I'm leaving early this weekend; my stuff is important, turn in your assignments later!

**2:03 PM.** I shouldn't have skipped lunch. If I can leave after this I can just make dinner. We're having my favorite tonight: sausage and potato casserole, and I'll be damned if I let Steve eat all the leftovers.

**2:08 PM.** Finally, now I can-- TWO SIDED! WHO WANTS TWO SIDED PRINTING! I didn't ask for this! Screw

**2:50 PM.** Finally printing again and... DAMN TWO SIDED PRINTING! I AM NOT PUBLISHING A BOOK HERE; I NEED MY STUFF ON ONE SIDE OF THE SHEET!

**3:02 PM.** FINALLY. DONE. I have seven hours on the road ahead of me. I can't believe I missed dinner for this. Jeez, you would think we have the technology to... where are my keys? 🐾
