The Daily Bull is probably not suitable for those under age 18 and should not be taken seriously... like the rest of the week!

Any man who wants to be president is either an egomaniac or crazy.

## This Space For Rent

By bullhead.gif ~ Daily Bull

bullhead.gif here again. Other than presiding over the Bull every day, I've got an important job to do: make sure you know about our incredibly low advertising rates. They're so low these days that practically any budget can afford 'em.

How low is low? For a paltry \$12, a box a bit bigger than this can be yours for one day. Or if you want to advertise every day, it's only \$8 a day. With an outreach of 800+ readers across campus every day, how could you go wrong? As my Papa used to say, "Garbanzo."

Interested? We've got sizes and rates for all budgets, so email [bull@mtu.edu](mailto:bull@mtu.edu) for more details! Otherwise, budget some for next year!

## Misery Bay: Prime Vacation Destination!

By Bryne Jusy ~ Daily Bull

Spring break is just days away folks, and everyone seems to be going somewhere (excepting the janitors, those poor souls...). I myself am going on a long journey to faraway, alien lands; travel is a joy of life second only to the sense of self importance and personal worth that comes with a good round of group circumlocution.

Sadly, many lack the funds to travel this world and others, remaining grounded here in Michigan. Woe be to ye all, bereft of the joys of the break, torn from that tantalizing possibility, that fleeting glimpse of ungraspable happiness... Well, you can rejoice for I have taken it upon myself to find a solution to your dilemma which is no doubt eating at your very soul even now (if you indeed possess such a deficiency, which you surely do). Pack up your stuff and stop by Misery Bay for a good time this break! The following should make it deli-

ciously clear why Misery bay is simply to die for...

Location! Misery Bay is located not an hour's drive from Houghton; just far enough away from nearby towns that you have no chance to make it back to society if some raving psycho with an axe shows up, yet not far enough away to be removed from those queer members of the nearby town, Misery Bay is a prime camping spot for young, innocent, unsuspecting college students such as yourselves!

I love Misery Bay!

Price? Most camp sites cost massive amounts of money for the assorted facilities; working bathroom, landscaped sites, emergency phones, hiding places... Not this one! You only have to pay a modest entry fee and a whole chunk of land is yours! You have so much room you wouldn't even notice if your noisy neighbors who you said hi to earlier in the day mysteriously vanish halfway through the night. The staff at this place

\*Reputation\* Misery Bay has the perfect reputation for a camp site; only a somewhat small number have heard of it, but it is nice enough to draw a significant portion of fresh blood!

Fun Activities! Misery Bay has a great view of the lake, and if you hike out a little bit from the inviting campsite, you can make it around onto a nearby sand peninsula to play volleyball or soccer or something with your friends while strange creatures most certainly don't watch you from the woods! As dusk starts to fall, it is easy to assume that you and your friends could get back to your campsite with no issue given that it is within sight of the sand bar, separated from it only by a thin strip of water filled with happy marine plants that nothing sinister could possibly lurk within, watching, waiting for the order... Even better, you could drink a large amount of alcohol while you enjoy yourselves, rendering your precious, fleshy bodies unable to move quickly.

My recommendation: The place is great, guys. You should seriously go there. I went there and absolutely nothing happened to me, nothing changed. I promise. I slept away from the group because I wanted to. You trust me, don't you? It's fun, it's easy, it's helping a greater cause than your narrow minds could possibly understand, and you could all be part of a higher cause if only you went to camp there overnight with your friends... Preferably, go in small groups. Who knows, you might even see me there! 🐾
