F4 Critiques.

The table tents in the dining halls seduced me to Fisher 135 this weekend. R.E.D. (Retired, Extremely Dangerous), was the pic playing, and I decided to take a break from the books (book of Mormon, and A Series of Unfortunate Events). I rarely enjoy sitting with 100 dudes, bumping fists, and farting. However, the gentlemen next to me smelled as if he had just Frebreezed his coat, so it must have been my lucky night.

A successful blend of action, comedy, and fantasy. It was clear that the movie had a sense of humor, and perhaps even some romance for the two ladies in the audience. If you like explosions, conspiracies, pink stuffed pigs, democracy or Ramen noodles, you should time travel back to last Friday and let me borrow your car for a Walmart run.

Dear Sandwich Guy....

By Liz Fujita ~ Daily Bull

Dear Sandwich Guy,

You probably don't know me, and you probably never will. We never have cause to interact, or to talk, or to even awkwardly do that shuffle in the hall where neither one of us knows which way to walk. But I know who you are. I've known who you are for almost five whole weeks now. You probably don't feel the same way I do, because I'm just a quiet student sitting, taking notes, minding my own business – but I want you to know how I feel about you. So here it goes, for everyone to know.

The truth is, Sandwich Guy...

I hate you.

I knew I hated you from the first moment

I wonder if Eminem got to keep the car from that commercial...

I sensed your presence. You walked into the room and I thought – so foolishly – that you were a regular breathing, feeling human being like me. I didn't anticipate the seven extra heads and various slimy protrusions you would sprout as you metamorphosed into your true, heinous form! You sir are a sensory monster, and your greatest weapon is the sandwich you wield every single morning at 11:00.

You are clearly well-trained in the art of torture. Jack Bauer would be proud.

At 11:00, you see, I am hungry. My breakfast, if I ate, is quickly wearing off as I scamper around campus, talk to people, try to maintain a body temperature above "OMFG IT'S COLD," and

...see MAKE HER A SAMMICH on back

I could forgive you if you had these. But you don't.

I would then attempt to recreate the coolest scene of the movie. The hero is driving about 40 mph when his car is struck in the rear bumper.

The car begins to spin out of control; the hero instantly draws his gun, opens the door, and steps out of the spinning car as easily as Tech stu-

dents put on the freshman 50. The car barely slides past the hero as he rains headshots at the CIA SUV that pursued him. So, if you see me lying in a pool of blood with a shattered pelvis in the Walmart parking lot, please place a gun on me so that I at least look like a BA when the cops come to pick me up. 🤖

Things about Morgan Freeman that are badass in R.E.D.

I am _____(Emotion) - Big O

I am _____ (emotion) that this week's _____ (noun1) is so short. Usually we have someone _____ (verb1) but it seems some of us _____ (verb2) about that. It happens. We're all busy. Because of that, though, I had to _____ (verb3) this on the fly. It's not very _____ (adjective) but I tried my best, right? In either case, I hope that this little _____ (noun2) was helpful in letting you not pay _____ (noun3) to your _____ (school subject) class. Perhaps next week we can get a real _____ (noun4) to be made instead of this one. However, Until then, have a fun and happy _____ (holiday)! 🤖

cram knowledge into my brain. You enter the same classroom as me all those days of the week, bearing with you a golden calf of pure olfactory bliss. What is that on your sandwich? Cheese? Ham? Turkey? No. It's better than that!

It smells like all my favorite foods, like pizza and soup and steak and candy and sushi and ice cream, all at once. Whatever it is you put on those two slices of soft wheat bread smells so good that it makes me want to break out of this human shell and reveal the ravenous She-Beast inside my stomach. But I can't do that, Sandwich Guy. Society would frown on me if I, eyes glowing red with devourous rage, were to tear you limb from limb in order to secure ownership of that delicious sandwich item.

To top it off, you usually have a cold, fizzy drink to go with it. I can hear the carbonation from my seat, all the way across the room. The carbonation says,

who don't have time to run to the MUB before class. Take pity on the less fortunate, who have to endure hours of class sitting in the shadows of people like you. Don't act like you don't know what I'm talking about! You've chosen them – your hand-picked army of hunger-inducing minions. I've seen Personal-Pan-Pizza Girl in the alcoves of Fisher! I've even fallen prey to the Oh-Yeah-It's-Just-A-Triple-Venti-Hot-Chocolate Dude sitting on the benches in the DOW.

Your methods are clearly evil. I'm watching you, Sandwich Guy. I hope this letter gets to you before I die of hunger one of these mornings at 11:00.

Yours HUNGRY,
Liz 🤖

Your photo could be the next big thing at the library... and at the Digital Studio, we don't mess around when we say big...

WE MEAN REALLY BIG... LIKE THIS BIG!

Seriously, we'll actually print the winner's photo this big, matte it, frame it, and display it prominently in the library, and give them a print of their poster and a 16 GB iPod nano to take home, two runners up will receive an MTU blanket, and a print of their poster, and three honorable mentions will receive a poster print of their choice. Also, all submissions will be added to the University Archives for posterity.

If you like that thought you should probably enter the first annual...

"Liiizz... you're thirsty...." My entire being wants to die, firstly because I can't understand what's happening in class anyway, and secondly because your lunch smells that good.

I'm begging you, Sandwich Guy. Please have mercy on those of us
