## Rationalization of the One-Time Encounter Crush

by Olivia 'NHL' Zajac  
~ Daily Bull

It happens to most everyone at least once in their life, and it seems to happen to more college students once they reach the (legal) age to go to the bars. A couple of drinks in, you start to get talked up by a cute guy you've never seen in your life. In the fuzzy, drunken state of your mind, it occurs to you after a mere five minutes of conversation: this is the man you're going to marry.

You laugh at the thought and play it off coolly, but as he's talking and drinking that pretentious PBR that you find a bit hilarious, you start to slowly, and completely unintentionally plan your pseudo-future

## Consti-Seuss-ion (and Bill of Rights) of the United States

by Liz Fujita ~ Daily Bull

We the people on a boat,  
We the people with a goat  
We the people with a plan,  
We the people for our land  
To make it perfect is our goal,  
Secure the blessings for kids' souls  
We the people on this train, do this document ordain!

### Article I

The House is in Congress, it welcomes young members  
And it's been biggering...  
...and biggering  
...and BIGGERING

Since anyone remembers.  
The Senate's appointed,  
If you're at least 30  
The VP can vote  
Only when things get dirty.

### Article II

Then he slunk into office –  
He took the Whos' votes!  
One time every year  
He presented his notes.  
He sat in his Oval room,  
Sat for four years!  
Why, that Pres even led them  
Through many war-fears.  
Then he stuffed all the seats  
In the Supreme Court with glee  
"And NOW!" said the Pres,  
"I will sign some treaties!"

### Article III

There's a docket in my pocket and reopen-

tance in your sentence!  
Did you ever have a feeling there's a reason you're on for treason?  
Or get disappointed  
We're life-appointed?

### Article IV

OH! The places you'll go!  
You'll flee from the scene!  
You'll be found somewhere new!  
You'll be brought back, Gene!  
And the joke's all on you!  
You won't be invaded,  
Because the US has forces  
Who'll protect from invasion  
Upon feisty horses.

### Article V

This document starts with some people called SNOZZERS  
They're the ones called FOUNDING SNOZZER-BROZZERS  
You'll be sort of surprised what we add to the end  
Once you go beyond articles and start to amend!  
So, on beyond articles!

### Article VI

The Constitution's our land's law  
You must obey it without flaw  
You must obey it on a train, you must obey it on a plane  
You pledge allegiance to your nation  
You must swear on it at inauguration

### Amendments II and III

We'll let them buy them just for fun  
We shall not put them in your house  
Without permission from your spouse

### Amendment IV

At the far end of town where the  
Grickle-grass grows  
And the felons work slow-and-steady  
to sell blow  
And no evidence ever surfaces except  
for Old Crow...

Is the street of the hardened criminal.  
And deep in his stealing-house, the  
government says,  
They can look deep enough in various  
ways  
When a warrant can stand

In the officer's hand  
But only with probable cause these  
days.

### Amendment V

One trial, two trial, war trial, jury trial  
This one has due process, see?  
This one has life and liberty!

### Amendments VI and VII

Your trial is speedy, your witnesses  
spoke  
Your lawyer's appointed since you're so  
damn broke  
Your common-law jury is all of your  
peers  
And your facts can't be re-tried for mil-  
lions of years!

### Amendment VIII

We do not like excessive bail  
We do not like unus'ual jail  
We will not drown you in a pool  
We cannot be extremely cruel

### Amendment IX

The Constitution is made to be kind  
So don't take our words to be harmful  
or blind

### Amendment X

Horton hears a power! But into whose  
hand does it melt?  
The States get all the powers that the US  
isn't dealt.

together. Simple enough, he asks for  
your number. You willingly give it to  
him and can't seem to control the  
eruption of giggles that spout from  
your vodka-dense breath. Then you  
start to imagine he'll actually call you,  
the following day, to see you again.

Then you go out on a fantastic  
date and he magically knew your  
favorite flowers were tiger lillies as  
well as stargazer lillies, and he just  
couldn't make up his mind which  
would compliment your beauty  
more so he got them both for  
you. He also knew that you loved  
Thai and found the one place that  
serves actual good Thai food in  
town. Everything goes fantastic, you  
end up not looking at all like a derp  
like usual, and he actually thinks it's  
cute that you know how to strate-  
gically eat with your mouth open.  
This is where your mind really starts

going crazy. Thinking of one date  
is one thing, but you start planning  
out what you two will do for Spring  
Break, whether or not your friends  
will approve (and why wouldn't  
they? The now 30 minute conver-  
sation you've had with him about  
hockey proves he'll be a great fa-  
ther!) and how proud you'll be to  
introduce him to your parents. You  
start to pick out wedding colors  
and what you'll name that ador-  
able mutt of a dog you find wan-  
dering the streets one stormy night.

Suddenly, this chance encounter is  
over. He leaves, you leave, no num-  
bers exchanged. This is the stage  
in which you get fucking crazy. You  
go home and stalk the ever-loving  
shit out of his Facebook, all of his  
tagged photos, other girls in pictures  
with him. You add him at 3:16am,  
and sit and wait for the approved

friend request. You add his friends  
that were at the bar with him an  
hour later, so it doesn't come off as  
creepy. Days go by, a week, months,  
and he's engaged to someone else  
that you are just way prettier than.

And... you find yourself back at the  
bar, drink in hand, still talking to that  
cute boy that is drinking that PBR. Your  
mind just broke off and took two  
different directions of what could  
possibly happen. You shake your  
head to clear the foggy thoughts  
of what could be, and focus back  
on the conversation, attempting to  
be level headed. It's here where he  
says (unfortunately) that Crosby is  
his favorite hockey player. "Fuck that  
shit!" you spit, and storm off. "I can't  
marry anyone that likes that douche-  
y show-off!" He's left confused, and  
your loyalty to the Red Wings is never  
questioned again.
