## Unexpected Takeover Supplants Mroz

from Nathan Ford - Guest Sender-Inner

Houghton, MI - Student of Michigan Tech awoke this morning to find the campus covered in an unexpected and inhospitable environment. I am obviously not referring to all the snow, because that is to be expected, you silly freshmen. No. I am, however, referring to the horde of miniature, pastel colored equines that invaded the campus sometime in the night. These creatures entered into our world at around 3:17 AM last night and made short work of the Public Safety officers on duty.

These "ponies," as some are calling them, entered into our world from their own realm of Equestria through use of some sort of magical portal, according to resident physics grad students (but what do they know anyway). Other than their initial show of military force, our new rulers do not seem to be hostile.

When reached for questioning their tyrant leader, Princess Celestia, had this to say: "We do not mean the residents of this fine campus any harm, we just wish to reside here for a little while. All students will be allowed to keep their political and religious beliefs as long as they do not cause issues. We will love and tolerate everypony."

This reporter is not too happy with her explanation for this hostile takeover, as there must be more to it than that. Former president Glenn Mroz has issued a statement this morning saying, "I for one welcome our new pony overlords." There must be more to the story than what is on the surface, and this reporter will continue to investigate it. Stay tuned for more news on the story as it breaks. 🐾

## Winter Adventures of Frank the Ford Focus

by Olivia Zajac ~ Daily Bull

Oh boy, there's more of this "snow" stuff my owner keeps talking about. I kinda like it - it's fluffy and fun and then we can go drive in circles over and over and over again in empty parking lots without hitting things! But this snow isn't the fun fluffy stuff. It's gross and heavy and grey and just shoots out everywhere when I try to go fast! But then I don't move. Uh oh. I got stuck. I didn't mean to, but my owner knows what's up. We've been together since mile 4 and she took good care of me when my butt got broken a couple times. Wee going backwards now!

Oof, snow bank. Uh oh. I can't get any grip. Snow is flying everywhere aaannnd now she got out. I'm sorry! I didn't mean to get stuck. I'll try harder to be like Marvin! He can get through anything.

Okay, she shoveled for a while and my butt is less cold - time to keep on moving. Uh. Uh. Uhm, uh oh. I can't. I'm stuck. Nooooooooooooooooo I don't wanna be stuc! It's cold and my owner needs me to not be stuck and AHHHH I'M SLIDING SIDEWAYS DOWN THE DRIVEWAY I DON'T LIKE THIS! Nooooo my nose and butt are cold now.

## Rick Santorum Launches Conservative Unite Moneybomb

by @Dinsmoor ~ Daily Bull

Earlier this week, Rick Santorum (the politician, not to be confused with the frothy mixture of anal lubricant or whatever it is Urban Dictionary wants you to think), launched his newest initiative in his campaign to become President: Santorum announced that he is launching CUM to attract donors. CUM stands for Conservative Unite Moneybomb, which is an effort by the Santorum staff to raise over one million dollars in under 72 hours by reaching out to the American population. Santorum's campaign is bleeding money and senior staff of the campaign was noted as saying the following to reporters on the issue:

"We knew we had to pump up

Santorum's "campaign" so we decided to put our heads together to produce CUM for Santorum. It took us a lot of work, but when we finally came to CUM, we knew we made Santorum happy."

Opponents of Santorum are stating their opposition to Santorum's idea. Many feel that CUM is a juvenile and inappropriate way of gaining funds. "It's like he is just using his body and the internet to get people to pay via his CUM," one Democratic strategist stated in an interview for CNN.

However juvenile this tactic may be, he has gotten overwhelming support from his donors, racking up over \$2.7 million dollars in a few days. "People love CUM!" representatives stated in a press conference earlier in the week. "They look at my website and see tons of things they love and eventually they get to my campaign and they love it! Even Sarah does!"

With the Republican Presidential race heating up, it's no surprise that we are seeing more and more strange tactics like launching CUM on the American people, but what can one expect from a senator whose name has been nonconsensually associated with a common sex condition? 🍌

...from Focus on Winter on front

I'm double stuck in a snow bank. This. Is. Sucky. Owner isn't happy either. She's swearing and yelling and I didn't mean to do it oh she's mad at the driveway, not me.

But... how do I...? I don't know how to get out. And she doesn't know how to get me out. She's just muttering and cursing and shoveling and all the other cars that drive by are making fun of me and her. I don't like them. We'll see how much they laugh when it's summer and I'm doing 80 past them on the Seney stretch. Assholes.

Oh. She threw the shovel and is now getting back in. Yay! She figured it out and we're gonna get unstuck and she'll be so happy and then I can stretch out my tires and we'll have a freakin' awesome time. No. She's just... sitting. And not doing anything. Not starting me up. I don't get it. I let her down. I'm just...so...sad. I didn't mean it! I hold all of your junk in my trunk and back seat and I never complain and now you're sad. I don't want you to be sad – OH GOD SOMEONE IS TOUCHING MY BUTT MAKE THEM STOP MAKETHEMSTOP.

Oh. Wait, she's starting me up. THEY CAME TO RESCUE ME! Oh, happy day! And I'm moving! I'm moving and yeah doing

my awesome driving thing and now I'm stuck again. Poo. But my butt isn't cold! I'm free from the snowbanks. And they're pushing again and I'm just trying SO HARD! Weeeeeeee driving and slipping up the driveway and back to my little parking spot next to Franklin. She's happy now. And those weird men let go of my butt. I like being back in my spot but it's cold out here. Can't I go in a garage? No? ...Okay, I understand.

When can we go for a drive again? I like driving, and I left big, icy divets in the snow. Hehe, I hope that fucks up any other asswipe who tries to drive on my driveway. I mean, uh, I'm free from the snow! I have a feeling it's gonna happen again before all the snow leaves again... and that's going to take months... 🍌

I was originally going to use this picture to make a joke about the Ford Focus actually being a Jaguar... but I think the text and spelling does a better job...
