WEDNESDAY, FEBRUARY 22, 2012

The Daily Bull is probably not suitable for those under age 18 and should not be taken seriously... like LAZY WRITERS!

## WHY ARE PEOPLE NOT WRITING MORE AWESOME ARTICLES?

**The Daily Bull can't be daily without input from writers, guests, and awesome trained midget weasels. If you see something funny around campus, write about it! Hit us up at [bull@mtu.edu](mailto:bull@mtu.edu) or join us at our meeting tonight!**

**SHUN THE WRITERS!  
SHUN! SHUN!**

## You are Listening to WMTU 91.9 FM Houghton!

by Alec Hamer ~ Daily Bull

"Have you heard WMTU is back on air?" In case you have not heard, WMTU is once again open for business! If you tune in your FM dial to 91.9 you will hear the sweet, sweet sound of your fellow peers and community members pumping tunes, talking or just hanging out... On the radio.

"What's this?! Where the fuck have you been WMTU?" WMTU hasn't gone anywhere. Earlier on in the semester, the station was not broadcasting. Instead, the staff of WMTU was hard at work using magical powers (blood, sweat, and tears) to turn the station into what it is now: the prized jewel of Wadsworth Hall's underside.

"Well, what's different? It sure SOUNDS the same.." Ask anyone who has been a show host in both the old and new booth. The new booth includes a custom counter top made to withstand 24/7 show-hosting, a whole new board featuring OLED displays (that stands for Oh Lawdy, Electric Discol!), dimmer switches, a 40" TV and a Swedish butler named Sven. What else is new? Well there's a cardboard box in the CD library. Someone should really pick that up.

"OK sounds alright. Tell me more!" Come on down and check out the station in the basement of Wadsworth Hall! You won't be disappointed...

# Don't Be These People

by Ruben Garcia ~ Daily Bull

Worst hugs. Worst handshakes. Worst kisses. These are all things that have been on the internet for a while under top 10 worst things.

Well, dear readers, I am going to tell you the worst people at the career fair. No, I am not talking about the job Valkyries that are the recruiters. Nay, I am talking about us. From the un-showered C.S. Major to the illiterate mechanical engineer, these are the worst people to be at the career fair. And they come to career fair every single year...

**The Underdressed:** Wow, ok. So you decide to go hunting for a job in the middle of winter in a pair of basketball shorts, a graphic t-shirt, and sunglasses. What were you thinking? This is not a beach party in Malibu. This is where you get the job that lets you AFFORD those parties.

**The Unshowered:** \*Sniff\* \*Sniff\* Do you smell that? Of course you don't. You think that because you changed your underwear yesterday that you can't possibly smell. Clean clothes do nothing to mask the smell of phunk. That's right, you smell so gnarly that you don't smell like funk, no, you smell like PHUNK. The ph is there to warn

everybody in the vicinity that your smell is acidic and hazardous to human health.

**The Illiterate:** Um...uh..um.... yea....I did stuff.....um...sure.... yep. See that thing that cannot be called a sentence? Well, it can't be called a thought either. Or a conversation. So if you are this guy, enroll in a speech class, gargle some marbles a' la The Kings Speech, and man the crap up.

These, dear readers, are the three most common people I saw at the fair, and I pity the fool that does ANY one of them. If you happen to be all three, at once no less, then you belong at Northern.
