WEDNESDAY, FEBRUARY 8, 2012

The Daily Bull is probably not suitable for those under age 18 and should not be taken seriously... like WINTER CARNY BITCHES!

We hope you'll somehow remember us through your blackout! Be safe!

## Syncing Runs Rapid Through Campus

by Olivia Zajac ~ Daily Bull

It has happened. It was only a matter of time before such a terrifying event took place in such a small community. Due to the dramatically low number of women at Tech, the unspeakable has happened. Every female on campus has synced up, and has hit the dreaded PMS during the exact same week. Men everywhere are frightened and confused.

"I went to class and cracked one 'that's what she said' joke, and then they just swarmed, man. I mean, it was like eight girls, but damnit, they're relentless. They went on about how I didn't respect women and weren't they good enough and then just started crying. I don't know how to handle crying girls!" one mechanical student was quoted.

Another report was from the local stores, pharmacies and gas stations, who have flat sold out of any and all forms of chocolate and Midol. Leroy, an attendant at Holiday in Hancock had this to say, "I've never seen anyone so eager for a wedge of chocolate cheese, but I'll be darned if I didn't see two girls fighting tooth and nail over it, since all the candy bars and fudge were gone. Darn near broke through a glass window to get at it."

Through campus the other day, in hordes they traveled. Mindless, angry and overemotional, they bitched and cried and yelled at anything that was unfortunate enough that day to have a penis as a part of their anatomy. "I'm still pretty, right?!" "Ugh I'm so bloated I could just die!" "Where is my heating pad I have the worst cramps in the history of time!" "I have the worst smelling farts EVER! BUT YOU STILL LOVE

ME RIGHT?!" Other such cries for attention and sympathy rang from building to building, as everyone else hid within the depths of Rkhi.

The mindless females continued to rampage throughout the campus, and their shouts eventually bubbled down to guttural sounds, hands outstretched, demanding more chocolate and tampons.

"We're hoping they just get really tired or extra sad and just go curl up inside to sleep or die or cramp or whatever the fuck it is that girls do during their periods. But what sort of God is there that let this many women start at the same time? Aren't like half of them on the pill? I just don't get it!"

The sorority houses seem to be bases for these crazed females, and fraternity members are afraid to leave their houses. One was quoted, "Well, at least it means I didn't knock up any of 'em!"

# Winter Carnival Pile-Bingo!

There are a lot of fun, crazy things that happen over this long Winter Carnival weekend. You can play this like bingo, or just play it as a checklist. Whatever you do, be safe – the Bull should not be misconstrued as recklessly encouraging you to do the following things. <b>Find beer cans in Fisher bathroom</b>	<b>Fall down in a snowbank</b>	<b>See Public Safety ‘talking’ to someone</b>	<b>Witness a fight</b>	<b>Stay up until 7 am or later</b>	<b>Eat fisher pancakes</b>
