

DAILY BULL

The Daily Bull is probably not suitable for those under age 18 and should not be taken seriously... like rainwindsunrainsunwindrain!

If at first you don't succeed...
so much for skydiving.

Sam Schall ~ Daily Bull

Oh Sunday morning
You come again,
I sleep through you,
Hung-over, but then,

Oh damn it all
That's my girlfriend
Telling me it's noon
And to move my rear end

Oh fuck it to hell
Its time to clean.
This huge house we share
She intends to make it green

Oh dear god
What chores do I get
I admit I've never clean
So I'm not used to it

Oh yes, it's true
I really should clear my con-
scious
My parents have money
So someone else cleaned,
honest

Oh no, oh my
It looks like the easiest are
taken

The Trials of a Fresh Bull Recruit

Rico Bastian ~ Daily Bull

It was reported today that new writer for the Daily Bull, Rico Bastian, totally forgot to not fuck this up. Though he had been given about a week to write one goddamn story, he waited until the last minute to begin writing this piece of shit. It is not yet clear if the editors will put up with this kind of bull and allow him to continue writing for the Bull, but he really hopes that they will.

"I don't know man, writing is hard," Bastian bitched and moaned. "I'm still new to all of this and I just... I don't know."

Sources close to Rico say that he made almost no attempt to stay on top of his first assignment, saying that he instead spent all of his time playing Super Smash Bros. Melee, taking long naps, and looking at stupid and pointless Youtube videos.

"Hey, I'm watching them for inspiration," Rico hopelessly tried to justify. "I don't do well just trying to write something. I gotta be inspired by something, I can't just..." blah blah blah. No one cares about his sorry-ass excuses.
