Adventures of Overly Manly Man

By Jon "Big O" Mahan ~ Daily Bull

Some of you may or may not be aware of the overly manly man that's been circulating about on the internet for some time. Things like playing Russian roulette with 37 wins and 4 losses, choosing to chew bees instead of eat honey, and all that fun stuff! Well, there are some adventures that no internet deviant could imagine on their own, that have actually happened. And they've all happened to one unknown overly manly man. We'll just call him Chuck, because that's a manly name.

Chuck first took on a bear with his bare hands. That's right, the man beat up a bear. Now you may be thinking that's impossible. Well it isn't. Taking cues from nature, Chuck wrestled with a bear, and shoved his arm down the bear's throat. Of course the bear should have just bitten down, but apparently it was too busy choking on FIST. Following that, Chuck bit the bears neck, closing off the artery to the bears

Chuck better get a license plate that says 8BALL, because he's gonna have eight balls.

Eldritch Monster Released from Thousand-Year Slumber

By Colleen Johnson ~ Guest Writer

I was working at the Library Cafe last Friday, bringing a cart of supplies back from the MUB, when I heard the fire alarm going off in the Library. A side door opened and two walkie-talkie-carrying staff members came running out.

"It's in the archives!" one said to the other.

"How big is it?"

"I don't know!"

While walking through the crowd of people outside, I couldn't help but overhear a group of archeology research students being sternly lectured by the head librarian on the deadly perils of opening strange boxes covered in ancient Ojibwa symbols. Especially if they're written in blood. It is unclear whether they will still get an A for their thesis on the legendary monster known only as, "Niboowin."

In related news, anyone who sees a firey, fifteen-foot tall creature that looks like a bear with horns is advised to calmly pull out their cell phone and call Public Safety. Before it's too late. 🐻

exercises such as 'Cover up this murder' and 'Assassinate <person or thing here that won't get me on some governments watch list>' or 'steal the Humanities Majors self-entitlement' you will work together as a team in no time!

Communication: In this one thingy you will, like, be taught how to, like, make words with your face at another human beings face. This teaches you hows to talk 'n stuf.

Ethical Practices: Is it ok to pay a hooker with money you stole from that orphanage? Is it ok to punch all of the spaces on the fusion café cards? How bad is it to fool around with your girl/boyfriends roommate? Is it really ok to raise tuition by about 5% every damn Year? In this session you will learn how to justify all of these questions and more!

Social Responsibility: What you need to do in order to not projectile vomit uncontrollably when you look in the mirror.

These skills and many more will be in your arsenal of world-domination if you were to check out the session. Conveniently located in MUB Ballroom B on Tuesday, October 30th. 🐻

brain until it passed out, then proceeded to punch the bear to death. With his fist and nothing more. Truly a testament to man.

Chuck apparently also likes to go fishing. Chuck first decided to go marlin fishing. Normally people use boats to find marlin, trolling for them using boats and lures and rods and reels. No. Chuck doesn't do that pansy stuff. He wrestled a bear remember? So taking a helicopter, Chuck naturally dove from the helicopter and right onto the marlin, wrestling it under water. Chuck won, and officially became the most badass sports fisherman ever.

But marlin just wasn't enough for Chuck. After all, he was overly manly man, not just manly man. And he got his chance. While blue fin tuna fishing, chuck found a great white, and decided to fight it. Again with his bare hands. Getting into the water with the shark, he shot it with a spear gun, just to piss it off. Once he'd pissed it off thoroughly, the boxing match ensued. It lasted for about 30 minutes, and eventually Chuck was the victor, killing the 6 meter, Great White with ease. Chuck had done what no man had done before. And lived to tell the tale. Well done Chuck. Well Done.

And there you have it. The adventures of Overly Manly Man. Also apparently named Chuck. 🐻
