WMTU: JOIN OR PERISH

by Nathan "Invincible" Miller ~ Daily Bull

Gimme a W! W! Gimme an M! M! Gimme a I-don't-care-to-spell-out-the-rest! WMTU woooo best radio station on campus amirite? Yeah! 91.9 FM holllaaaa

No kidding swag-doodles. WMTU has a little bit of everything: your usual classic rock die hards, punk-ass weenies, hip-hop heads who think they're underground, variety bin "specialists," 90's pop hold outs, dumpster diving vintage indie kids, and a few too many people who think Deadmau5 is god. And let's not forget the occasional jazz wizard and metal junkie! We really do have it all.

Even though WMTU has automation system that plays better music than many DJs, we need a few human beings in the studio to play some tunes once in a while - 24/7 during the semester actually. That's where you come in. Basi-

(Never, Ever, Ever) Collecting All The Feathers

by Liz Fujita ~ with a tip of the hat to Taylor Swift

I remember playing Ass-Creed 2 the first time
 Jumping, stabbing, robbing peasants blind, and like
 I haven't picked up treasure for a while
 Since my, mission kind of changed, what?

Mother came around today to say, "Baby,
 I miss your brother, keep him in my mind, trust me,
 Remember him collecting every day?"
 I say, I hate you, I leave town, she bugs me, I find them

Oooh, I brought her back two more last night
 But oooh, it wastes time! I'm telling you, I'm telling you
 We are never ever ever getting all the feathers
 We are never ever ever getting all the feathers
 I climb up, and I climb down
 And I run through the streets
 But we are never ever ever... collecting all the feathers.

Like ever...

I'm never gonna get done picking fights, and I'm
 Climbing buildings with my eagle sight, but she
 Waits around without her peace of mind with some
 Eagle feathers that're not useful to me

Ooooh, I dropped some off again last night
 But ooooh, Maria, I'm telling you, I'm telling you
 We are never ever ever getting all the feathers

It is not funny that anything else should fall down: only that a man should fall down. Why do we laugh? Because it is a gravely religious matter: it is the Fall of Man. Only man can be absurd: for only man can be dignified.

We are never ever ever getting all the feathers
I climb up, then I climb down,
And I run through the streets
But we are never ever ever... collecting
all the feathers
I used to think that I could find feathers,
feathers
And I used to say never say never...

Like, ever.

We are never ever ever getting all the feathers
We are never ever ever getting all the feathers
I climb up, then I climb down,
And I run through the streets
But we are never ever ever... collecting
all the feathers

We, oooh, oooh, not collecting feathers, we
Oh, getting all the feathers
I climb up, then I climb down,
And I run through the streets
But we are never ever ever collecting
all the feathers

Ugh, she calls me up and she's like, "There's
only 52..."
And I'm like, I'm just... I mean this is exhaust-
ing, you know?
We are never getting all those feathers.

cally if you like music, you can be a DJ at WMTU. Even if you'd play Brony shit and Gangnam Style on repeat, we'll take you in. We have that low of standards.

WMTU is an equal opportunity employer. Nobody gets paid, all DJs are inferior to staff, and we all have a chance at buying 50¢ cans of soda that I stock with whatever delights I want. What a steal!

Want to join our truly rag-tag posse of computer whizzes and music gurus? Stop on by to Fisher 138 this Wednesday and Thursday at 7 PM to sign up to be a real life radio DJ. No experience or taste in music necessary. Be there or be something worse than a WMTU DJ.
