Valentine's Day Massacre Goes Off Without a Hitch

by Chase Peterson ~ Daily Bull

The National Weather Service, along with the Department of the Interior, has reported today that the required 20,000 souls of single people have been properly sacrificed to ensure that couples everywhere have the perfect Valentine's Day outing. The report came through around midnight on the 13th, spokespeople for both groups confirmed.

Local residents were concerned that they were not going to have a government-backed perfect date. One couple expressed their concerns to The Daily Bull: "Where were you going to find that many single people? I mean it's not like they grow on trees." With the news that the required number of lives had been extinguished so they could enjoy their day, the couple was visibly relieved. "I remember when we didn't have this program in place," one elderly gentleman shared. "It was horrible, me and the wife would get into fights all the time, where to eat, what to wear, where we were going to have kinky sex that night, who would be on top.... It was a nightmare!"

The program was initiated in the early sixties and had a bit of a rocky start. "At first we sacrificed over one hundred thousand souls to try to create the perfect day that couples could spend together," one researcher shared, "but we forgot to take into account the undying principal of misery and its inverse relationship to the f-quotient." She continued, "That first sacrifice was so

Valentine's Day

by Rico Bastian ~ Daily Bull

Roses are red, violets are blue,
It feels like everyone is loved except you,
You're back in your dorm with a computer on your lap,
You feel like there's nothing to do except fap,
But hold your head high, it's not all that bad,
Just being single is no reason to be sad,

So it's Valentine's Day, and you have no date,
But what you don't realize is that this could be great,
No money is spent on chocolate or flowers,
No listening to a girl droning on for hours,
You also have friends, they're there through and through,
They won't start PMSing right out of the blue,

There's so much to do with no ball and chain,
You've got nothing to lose, but so much to gain,
Go ogle at chicks, go have a good time,
No moping around while you're in your prime,
Go read a book, go make some money,
I personally like to just write something funny,

If you're still feeling depressed, I'll make you a deal,
Go rub one out, then tell me how you feel,
You can't rush these things, they'll happen on their own,
Quit acting like you're a loser for being alone,
A lot of us guys know that pain inside,
But be like the Dude, relax and abide,

Girls don't like a guy who bitches and moans,
Soldier on, suck it up, hell, go watch some Flintstones,
You can jerk it now, I won't hold you any longer,

How do you explain the phrase "trippin' balls" to a non-native English speaker?

I hate to advocate drugs, alcohol, violence, or insanity to anyone, but they've always worked for me.

Pick-Up Lines

by Jeanine Chmielewski ~ Daily Bull

Ok, so it is Valentines Day week. And lets face it, this is a tech school so some people need all the help they can get. Take my advice here, it is all about first impressions when trying to pick up a girl. So here is some help of my annual help for those who want it. Enjoy the results.

Is that a mirror in your pocket? Because I can see myself in your pants.

Hi, I'm Mr. Right. Someone said you were looking for me.

Do you have a library card? Because I'm checking you out.

Excuse me. I think you have something in your eye. Nope, it's just a sparkle.

Does this smell like chloroform to you?

Can I get your picture to prove that

angels exist?

You have something on your butt ... MY EYES!

I lost my number. Can I have yours?

If you were a burger at McDonald's, you would be McBeautiful.

Are you from Tennessee? Because you are the only 10 I see.

Was that an earthquake, or did you just rock my world?

Did you have Lucky Charms for breakfast? Because you look magically delicious.

On a scale of one to America, how free are you tonight?

The word of the day is "legs." Let's go to my place and spread the word.

And for those of our readers with a poetic side;

Roses are red,
 and so is the state.
 We should be comrades
 because you are great.

Roses are Red,
 Violets are Blue.
 All my Base,
 Are Belong to You!

And one of my personal favorites;

Roses are Red,
 Violets are Blue.
 I have a Gun,
 Get in the Van!

powerful that we inadvertently caused the sexual revolution."

It is reported that the remaining single people will be under a strict curfew on Valentine's Day due to the depressing nature of being single. Any single person caught outside tomorrow after 9 pm will be subject to detainment by the police. "We don't want to see their kind walking about the streets after dark tomorrow," the chief of police said, "looking all mopey and shit, hell, Valentine's day is the one day a year where me and the wife don't fight and I get laid by someone that's not an under aged Thai hooker," he continued. "And I'll be damned if those sad sacks will ruin that day."

In other news Michigan Tech and the surrounding colleges report that they will need to shut down their computer science programs due to lack of students.

I just hope that this talk has made you a little bit stronger,
 We're in the same boat, both you and I,
 But I'm not a bitch, I'm not gonna cry,
 And to the girls out there who feel lonely too,
 I'd like to say "Hey girl, wassup with you?"
