Things You Learn from Owning Three Cats

by Liz Fujita ~ Daily Bull

One of the best parts of my life is my cats. We have three lovely monsters: Comet the Fluffypants, Milano the Attention Hog, and Slim Pickens the Mighty. I would guess that 90% of the time, Nathan Invincible and I enjoy watching the cats just as much (or more) as we enjoy watching TV. However, it should be pointed out that not everything about pet ownership is fun and games. Here is a brief list of life lessons I've learned so far.

Nothing is safe. There is not a single item in our apartment, no matter how hidden, that they can't find and destroy. It could be on top of the fridge, in the closet, or in my mouth; it's all the same to a determined cat.

Nothing you own is yours. In our cats' minds, every single object we have ever owned was purchased solely for the purpose of making them happy. Flat object? They can sit on that. Tall object? They can knock that over and make a neat sound. Tiny object? Something to bat under the fridge! They have a use for every single thing.

Everything you own is a scratch post. Even your legs.

Just because it pooped five minutes ago doesn't mean it's done. I couldn't tell you how many times I have scooped the litter box, walked out to the dumpster to dispose the evidence, and come back to two

Spring Break Movie Marathon

by Cameron Long ~ Daily Bull

Spring break is approaching! Over the next couple weeks, college students from around the country will converge on Lake Tahoe, Miami, Daytona, and Virginia Beach. However, many students choose not to partake in the classic spring break adventures, whether due to financial constraints, being uninterested, or just not wanting syphilis.

I'd estimate that only 5% of students actually go for the crazy beach party scene. 20% travel to alternate, more sedate destinations, and at least 50%-60% go home. This leaves 15%-25% of college students at school and I'm sure Houghton is no exception. So is Film Board, which is why they are offering a five-day movie marathon to take your mind off the boredom!*

The films will be selected from IMDB's Bottom 100, starting with #100 and ending with #1, the worst film in existence. This illustrious list includes such crap as:

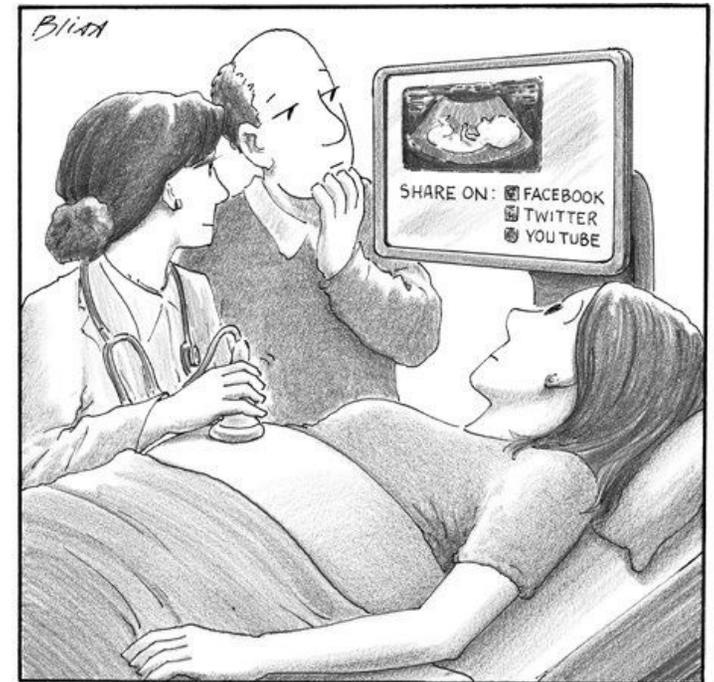

100. Kazaam (1996). Starring Shaquille O'Neal as a genie trapped in a boombox, the tagline says it all: "He's A Rappin' Genie-With-An-Attitude...And He's Ready For Slam-Dunk Fun!"

97. Plump Fiction (1997). Follows the plot of Pulp Fiction as well as parodying Clerks, Forrest Gump, Reservoir Dogs, Waterworld, Quentin Tarantino...and Christopher Walken.

90. 3 Ninjas: High Noon at Mega Mountain (1998). Mega

PIC 'O THE DAY!

The next time you feel the need to tell someone to shut up...do it.

I want to get a vending machine, with fun sized candy bars, and the glass in front is a magnifying glass. You'll be mad, but it will be too late.
-- Mitch Hedberg

from Weasel on front

pee spots and a fresh turd. They reclaim it with mindnumbing speed. Then, they sit there and lick their butts right before coming over to sniff your face. Awwwww, pooppy kisses </3

Your sleep is not valuable. Cats can sleep upwards of 16 hours per day, so if they miss a nap, it's no big deal. They'll catch it later. Humans, on the other hand, only sleep 8 hours per night (on a good night). But cats don't know that. Cat's don't care. Every hour of every day is an opportunity to shriek, purr, lick your face, barf everywhere, knock things off the dresser...

Can it be dinner now? Pleasethanks! 4:00 am is a perfect time for dinner, mom. Mom. Mom. 9:00 am OMGBREAKFASTYAYTHANKSMOM!! Hey. Mom. It's almost 2:00 pm so right now is dinner and I love dinner! Please? Dinner? You're eating a snack, that means it's DINNER TIME YAY -- that snack isn't for me? What about now? 3:15 is perfect dinner time. What about 3:30? Or 4:00. 4:00 works for me. MOM. DINNER.

Vacuuming is a full-time job. This goes along with the point about pooping -- from the moment you stop picking the cat hair off of something, they set to work putting more hair on that thing (and anything in its vicinity). You can brush literal tribbles-worth of hair off of each of our cats and STILL find fuzz on every surface.

There is no such thing as privacy. I haven't peed in peace for almost 10 months. 🐾

from Stoot on front

Mountain theme park is invaded by an army of ninjas commanded by Medusa. TV personality Dave Dragon (Hulk Hogan) and four kids save the day.

84. Gigli (2003). "The violent story about how a criminal lesbian, a tough-guy hit-man with a heart of gold, and a retarded man came to be best friends through a hostage." WHAT. Starring Ben Affleck and Jennifer Lopez. Written and directed by Martin Brest. Lol.

80. Danes Without A Clue (1997). Original title: Stjerner uden hjerner.

68. Nin9 Lives (2002). It's a Paris Hilton horror film.

66. Lawnmower Man 2: Beyond Cyberspace (1996). They made a Lawnmower Man 1?

62. Anus Magillicutty (2003). "When Anus Magillicutty's woman stops a would-be assassin, Anus is forced to interrupt his life of guzzling beer and women to dispose of the corpse." What a gem.

54. Santa With Muscles (1996). Another Hulk Hogan masterpiece. This

time, he's an evil millionaire who thinks he's Santa.

47. Santa Claus (1959). Santa teams up with Merlin to defeat the devil.

38. The Incredibly Strange Creatures Who Stopped Living and Became Mixed-Up Zombies (1964). I think this is my favorite title of the bunch.

30. Prince of Space (1959). Space chickens invade Earth.

20. Space Mutiny (1988). Featured in one of the best Mystery Science Theater 3000 episodes. "Big McLarge-huge!"

15. Die Hard Dracula (1998). You might think this movie stars Bruce Willis. Wrong.

7. From Justin to Kelly (2003). This is such a bad teen romance movie that it belongs in the 90s.

1. Disaster Movie (2008). In the style of Epic Movie and scary movies 1-27. Awful.

*This is completely and totally false. 🐾
