Hungarian Falls and You

by Nathan 'Invincible' Miller ~ Keweenaw Land Trust Cheer Squad

When was the last time you visited Hungarian Falls? A week ago? Sometime in the last year? Maybe you've actually been living up there after your lease ran out and you had no place else to go. I wouldn't blame you; it's a beautiful spot and has some of the finest views of the Keweenaw this side of Calumet.

In case you've been living under a rock and haven't read the Lode or Mining Gazette recently, the uppermost Hungarian Falls was recently put up for sale, much to the chagrin of everyone who loves to visit this stunning place. Just to clarify, the upper falls are above the dam and pond, not the biggest ones further down the gorge.

They upper falls are gorgeous, but maybe not as drop-dead gorgeous as the middle falls that have the pool at the bottom. Really though, it's like comparing any of the top 10 finalists in the Miss Universe competition. If you've got one in your backyard glistening in the sun, consider yourself lucky.

With the uppermost Hungarian Falls right in our backyard, it'd be a shame if someone were to come along and lock it away from the public eye. That's where those dandy folks at the Keweenaw Land Trust (KLT) came in. We were called upon by the public to protect public access to the property at the top of the gorge, which includes the historic dam, pond and upper falls on a 10-acre parcel. KLT has until April 30th to raise \$40,000 to cover the purchase and upfront costs. Nobody said smokin' hot waterfalls were cheap.

A Guide To Cuddling

by Theresa Tran ~ Daily Bull

Have you ever wondered how a man typically reacts to certain situations of cuddling with spontaneous sex partners? My job this week was to do some research into this much debated topic. I visited the Coitus Labs, in which the "Cuddling after Sex" Study has been an ongoing research project for several graduate students and their Sexualities lab professor. Head graduate student, Robert Rickety commented with, "this will be the man's guide to the correct cuddling position to lie in after sex if doubt ever sweeps his mind." Typically, there are two common scenarios when it comes to what cuddling position is chosen to be utilized.

First, there is the situation of realizing coitus was a mistake. You and your lady friend are both drunk and get rowdy beyond control and before you know it, the deed is done. She is lying on her side waiting for you to cuddle up behind her. You would rather not so the two of you lie facing opposite directions. In this situation, you consider putting your clothes back on and returning to the party. Too late, she beats you out of the door and returns to her friends. This one is called the "One Night Stand."

Sometimes you will get lucky enough to get the girl and the girl that you are SUPER into; and she seems to really be into you too. Sexy time was everything that you had wished for it to be with your dream girl. The two of you spend the night cuddling face-to-face, forehead-to-forehead. You are both way too exhausted to go anywhere else and end up spending the night together. Somehow you guys get your arms around each other and wrap your legs together too. This one is called the "College."

Where's the money coming from? Well, it's not coming out of thin air, that's for sure. Because the KLT doesn't have any money trees on our public preserves, we have to raise the cash from the public. That's you! If you appreciate fine looking waterfalls that you can visit free of charge any time you want, consider making a donation to the KLT today to help us purchase the upper falls and keep them accessible for-ev-er. Your donation today will allow your decedents in a million years to visit the falls – a timeless gift to humanity.

Why else should you donate? Other than for that warm fuzzy feeling, everyone who donates over \$5 will get a "I Helped Top Off Hungarian Falls" sticker. The stickers themselves are almost as handsome as the falls and alone worth the five bucks. Trek on over to our website at www.KeweenawLandTrust.org to learn how you can donate – send us cash, checks, or donate online. Sorry though, we don't take bitcoins.

If you REALLY want to be awesome though, come out to the KLT's Hungarian Falls Dam Jam this Saturday, April 13th, at the Brownstone Hall in Atlantic Mine. For ten measly dollars, you get to listen to 6 incredible local bands for 6 hours. Outwash Plain, The Barnstormers, Keweenaw Brewgrass, The Board, and more will all be playing. THERE WILL BE BEER and HARD CIDER... for sale, of course, to those ages 21 and up. All proceeds will go towards protecting the uppermost falls. Did someone say, "You get to listen to cool music, drink, and protect a cherished local icon all at the same time?" Basically. 4:30 – 10:30 PM. Do it for Hungarian Falls! 

The Hungarian Falls, y'all!

Cuddling after Sex Study about his experience with cuddling with women after being intimate with them. Tomothy Gilberty provided a statement about what goes through his mind after he engages in sex. "How did I get sooo drunk? What is her name again? Molly. Wait, that is my buddy's girl. Fuck. Condom? I don't know. Fuck. Condom break? Yes. Fuck. Where IS my girlfriend? That is not my girlfriend. Fuck."

Tomothy also stated, "I have never had such a sick gig in my life. There is always a need for volunteers in the study y 'know to mix things up. I would definitely recommend it." Participants of the study typically are required to be extremely inebriated and/or whatever else that will make them lose their sobriety.

So, next time you engage in some intimate moment, think about what kind of cuddling night that you are going to experience. Further research will indicate that your result will be one of the following situations above.
