

Yoga is the practice of making your spine into one of those flex rulers.

The Daily Bull is probably not suitable for those under age 18 and should not be taken seriously...like flexibility..

Yoga Pose, Schmoga Pose

by Liz & Brolivia ~ Daily Bull Alumnae of the Highest Honor and Accolade

Unbeknownst to many, every yoga pose has a very descriptive name. Standing Forward Bend, for example, is exactly representative of what you're doing. Most of them are based in Sanskrit and are nearly impossible to pronounce: Eka Pada Rajakapotasana, Purvottanasana, and Prasarita Padottanasana.

Or, if you ask most dudes about it, each one is 'Improbable Sex Pose 1' and 'Even More Improbable Sex Position 2.'

Here are some examples of the even-more-descriptive names we've come up with for some of the poses. Get out your smartphones and get ready to look them up -- you're guaranteed at least a few chuckled!

Hockey Team Takes Literal Dump on Alabama-Huntsville

by Alex Dinsmoor ~ Great Son of Life

As a part of the Winter Carnival hockey games, the Michigan Tech Hockey Team was found bored of scoring normal goals and decided to poop on the opposing hockey team. The move came in the third period of Saturday's game, after the team had successfully scored seven goals against UAH in a single period.

"The boys were doing so well out there on Saturday, that we decided it would be less embarrassing for the other team to be defecated on than if we scored more points on them." Coach Mel Pearson told The Bull. "No coach plans for a blowout like this, but we all have tricks in our bags to deal with such circumstances."

The win, which is the most the Huskies have scored in a single game since 1993 where they beat Minnesota 10-3, was only amplified by the pooping that was dealt late in the third period. "The atmosphere in the arena was electric," one Mitch's Misfit told The Bull, "not only did we score 10 points, but we were shitting on the other team. Normally we all cheer for fights in hockey, but this was almost more entertaining."

The NCAA currently does not have any rules over defecation on the ice, as it rarely happens in hockey games. "Most teams do not have the decency to stop scoring when the scores get so high, so we don't really have rules about such things. After Michigan Tech's win however, we may be considering implementing rules."

The MacInnes Arena staff were not pleased over the incident, citing that "shit is really hard to clean off the ice."

"I have a theory, it could be bunnies..."
