DAY SINCE HAZEL'S BIRTHDAY

Pros and Cons of Having a Birthday on Earth Day

Hazel Sprotitsy

(fig. 1: Yoinked Swag)

Pros:

- Easy to recover from awkward slip-ups:
 - Person 1: "Happy Birthday!"
 - Person 2: "Thanks, you too!"
 - Person 1: "...?"
 - Person 2: "Ope, I thought you said 'Happy Earth Day', my bad. Happy Earth Day!"
 - Person 1: "Oh ok thanks"
- The Colors – blue and green are pretty dank*
- Speaking of dank*, 422 is 420, t(w)o(o) – all the dankness* with none of the Hitler's Birthday, therefore it is the best haha funny day
- Easy B-Day swag from Earth-Day-related events (figure 1)
- Origami Day is on that day this year (I will be claiming it as my Birthday Party and

inviting all of my friends, most of which are gonna be there anyways) :)

- You should go to Origami Day
- NO FUCKING SINGING THO**

Cons:

- It's RIGHT before finals
- AAAAHHHHHH IT'S THE MONDAY OF FINALS NEXT SPRING WWHHYYYY
- Having to postpone birthdays due to finals
- F in the chat to everyone w/ birthdays during finals season – that's a big oof
- Not always knowing w/ 100% certainty that they're actually saying Happy Birthday instead of Happy Earth Day
- Sharing a birthday with Earth – seriously, how the hell do you compete with that? Not that I was going to anyways... but still...
- Being Forced to Pick up Litter on Your Birthday
 - Fuck you, [REDACTED]. (my 4th grade teacher)

**Disclaimer: for legal reasons, "dank", "dankness" and all other words containing "dank" are used only in the context of their reference to meme culture and are not a reference to illicit substances of any kind. For more information, visit <https://knowyourmeme.com/>*

***Editor's Note: We're definitely going to sing something. Probs not the whole song.*

MTU Student Explains Why They Always Connect on a Deeper Level

“I just don’t see the point of even connecting with someone if you aren’t gonna do so on a deeper level. You just can’t get the same... I dunno... satisfaction, I guess, by staying shallow – I don’t even get how people do that shit. I always have and always will go balls deep.”
