# The Sigma Rizzgerald

*I Do Not Want My Name on This.*

The sigma lives on from the Ohio on down  
Of the sus lake they call "Gitche Gumee"  
The lake is no cap, never yeets up her licks  
When the skies of November start gooning

With a load of Skibidi, sixty nine thousand  
tons more  
Then the Sigma Rizzgerald weighed empty.  
That chad ship no cap was goated with the  
sauce  
When the gyatts of November came early

That ship was lil bro of the Americans yo  
Zooming back from some unc in Wisconsin  
As the big units go, 'twas  
More chungus than most  
With a squad and pog captain looksmaxxing

Concluding dem terms with a couple mid  
firms  
When they dipped fully locked-in for  
Cleveland  
Then l8er that nite when the ship's bell rang  
Could it be da North wind they'd been  
feelin?

The wimd in dem wires chirped a tattle-tale  
sound  
When da wave popped over the railin  
And every blud knew, as the captain did too

'Twas the witch of November come yoinkin'

The dawn came late and the bekfast had to  
wait  
When the gyatts of November came slappin  
When afternoon came it gave freezing rain  
In the slay of a hurricane west wimd

When suppertime came, the ol cook came  
up top  
Sayin' "Besties, it's too rough to feed ya"  
At 7pm a main hatchway kerplunked  
He said "Besties, it's been pog to know ya"

The captain popped off, he had water slidin  
in

And the chad ship and bluds was in brainrot  
And later that night, when his lights dipped  
out of sight,  
Came the ratio'd Sigma Rizzgerald
