Short Talk: A Whole New Language

By Jeremy Moore ~ Daily Bull

Just give me a sec, I will brb to go l2p some random game that I 4got how to. Maybe WoW or something, but wc's bout some crap mmo, it's like w/e. Yk? I mean ik 4 sure.

So, how many of us can admit that we sometimes talk a little bit like that online and through texts? Probably not many of us, but I am completely sure that we all do sometimes. Just imagine how annoying that would be if everyone talked like that? I would b like OMFG why can't these sobs just stfu and gfto. 4 real. On a more serious note, as if this article has any, that would be really bad for our community. There would be some much confusion on what the acronyms stand for. Like wtf, could mean why the frown? It doesn't have to mean something crude people...geez.

Student Arrested for Porking Professors

By Jeremy Mr. Sunshine Loucks ~ Daily Bull

A Tech student was arraigned today at the Houghton Courthouse for 7 counts of extortion and 6 counts of coercing sex from the elderly.

Kiel Thompson, 21, is charged with the 13 counts, all of them carrying long sentences in standard pound-me-in-the-ass prisons. He was able to post the \$300 bail by collecting pop cans from his CS Major roommate's half of the room; he was released into his own recognizance.

The story of greed, extortion, and sexual deviance was revealed in a Facebook note apologizing to his friends and family. It seems Mr. Thompson was a fan of the elderly. He would watch them, waiting, hoping for a chance to seduce the aging goddesses and show them his

passion. He volunteered at retirement homes, hoping to get his jollies, but the nurses and patients were on to him and threw him out.

Next, he tried churches. Lots of lonely, elderly women at various churches. He would talk to them, walk them to their cars, listen to long talks about relatives that no one should rightly know about, and generally be nicer to them than their own children. Then he'd

make his move. Luckily, their piety (and common sense) was able to convince them not to "pray to his hanging Jesus" (a veritable sexual trinity, as he put it).

Frustrated at his frequent attempts and failures, poor Kiel was about to give up and find women his own age. But then he realized: some Tech professors were

Yeah, who is "tia"? Mr. Pres has got a mistress it seems, the media will be all over that. I am glad America's ass has become bigger, maybe it is because we have been sitting on it too much.

As you can see, the best thing to do is type out everything clearly. But I want some feedback on this topic, and also want your take on what the acronym "alnfs" could mean. Submit your answers/feedback to jere-mym@mtu.edu and I will pick which one I like best, and try to fit it into an article.

elderly, and some of them still looked fantastic! He had to have them. But how? How to seduce these women when all his previous attempts had ended in disaster? He had a second epiphany: Blackmail and extortion.

His fiendish plan hatched, he started scoping out potential professors, checking Ratemyprofessor.com and wandering through departmental offices. Over two years he began to take courses, not because of the material, but because of the sexy vixens that vexed him while they lectured.

As the semesters ended (and his willpower wore down) he would initiate his plot, starting with meetings during the prof's office hours. He would go in and explain to them that he intended on giving them terrible ratings on their Course Evaluations. You see, course evals are a huge deal at Tech, determining pay grades, which classes are taught, and even employment of certain teachers. Getting terrible evals

can crush a professor's confidence (as well as their paycheck).

When the terrified teachers begged him to reconsider dragging their evaluations down, he made his proposition: in exchange for shining marks, the professors would have to give him sexual favors. Faced with no real options, 6 of them gave in to his insidious demands. Unfortunately for Mr. Thompson however, the seventh said no and reported him to the police, throwing the risk of bad evals to the wind.

The one who came forward, Mrs. Joan Rheld, issued a statement shortly thereafter. "I couldn't believe how terrible Kiel was, trying to force me to have sex with him just to raise the numbers of my course evaluations?! We have to stand up for what is right, and what is right is bringing sexual deviants like him to justice!"

Mr. Thompson's initial hearing is set for October 15th and a full audience is expected. ☺

First off, wth is "dyk"? I would be really scared if my mother used that

Pants Pants Revolution *By Olivia Zajac ~ Daily Bull*

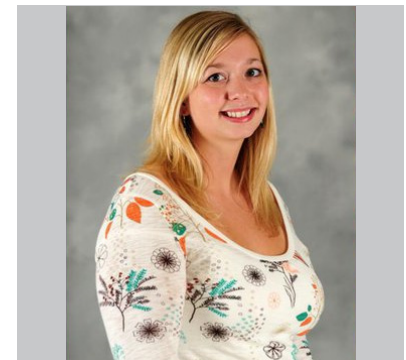

Rumors have arisen through the rest of the student population of a certain nighttime activity that scares the crap out of girls in the dorms, and any wandering soul who does not know about the way of the Pants Pants Revolution.

Deep in the bowels of West McNair, it has been said that in years past, around midnight, laughing and pantless-ness occur with terrifying regularity. Correction: It is terrifying for those who are clueless as to why there are numbers of dudes running around the halls with their pants down around their ankles. And not just stumble running; these guys have mastered the art of sprinting with their pants down.

I once resided in these hallowed, hairy legged halls, and have been a firsthand witness to this event. I can even admit to participating on a few occasions (woo!). Generally it is harmless fun, wandering from dorm to dorm wishing each other a happy midnight. Other times, however, it freaks the girls out and they complain to the RAs and ruin the good-natured fun and celebration of this glorious revolution.

To quote from the scripture of the Pants Pants Revolution Facebook page: "On late nights, the citizens of this remote town would join in brotherly union at the stroke of midnight and remove their pants in symbolism of their freedom and unity towards one-another, and to release the evil pants-dwelling spirits that so commonly inhabit the northern regions." So I encourage you, good reader, this midnight, drop your pants in celebration! Rid yourself of those terrible pants spirits! Happy midnight to all! ☺
