I never believed in Santa Claus because I knew no white dude would come into my neighborhood after dark.

Maroon Drugs

from Liz Fujita ~ Evil Dictator

Just shoot up your arms
Make your head light
It aims for your heart
If you feel like
You're high right away
You want more cocaine
Why can't you behave?

You wanted to roll
So we waited
I filled up a scroll
Now I'm bake-ed*
I laugh like a kid
My hunger is big
I don't give a shit

And it goes like this
Put this on your tongue
And I'll know you
Take hits while you're drunk
And I'll show you

Overdose like Jagger
Let's overdose like Jagger
Let's overdose like Jagger
L e t t e r s o v e r -
d o o o o o O O O O o o o o s e like Jagger

U.S. needs to try and control these
Narcos at my door, I can't believe

I overdosed like Jagger
I overdosed like Jagger
I overdosed like Jagger

Living with Evil Dictator

by Olivia Zajac ~ Daily Bull

I am but a lowly minion. I am told this day in and day out by the Evil Dictator, whom I started calling ED for short and only when I'm crying alone in the bathroom, because that's the only place she doesn't have cameras. If I cry loud enough, sometimes I can hear her cackle from the other side of the door. It makes me cry more.

You see, ED wanted a minion (or two) to live with, to do her meaningless tasks like vacuuming, baking cakes, doing her Durfee homework, or cleaning her toenails. ED loves her some clean toenails. I don't know how I was selected. I vaguely remember being taken from my old home in the middle of the night, poked and prodded in the bad way, and dumped in a dumpster outside of the ChemSci. I say vaguely because ED says it's bad to remember bad things. Bad things happen when min-

ions remember bad things. Things with fire sauce. Evil, evil things with fire sauce. I still have some scars and I don't wanna talk about the fire sauce anymore...

But one day after class, I was walking home when ED allowed her evil self to be seen by my lowly worm eyes and she commanded "Yo dawg, we need another for rent. You down?" and I screamed and cried as my eyes began to produce the most pure blood ever bled before. For I had forgotten my place and dared to make eye contact with the ED. You never make eye contact with the ED. It becomes self conscious and then more fire sauce...

Not that the ED would ever do anything bad ever nosireebob! The ED is kind and

... **Extreme Dystopial** from front generous and gave this poor minion a place to live under her wondrous evil roof! I get told every day that I'm funny every now and then and then I get a cookie. Only half a cookie, and not the ones with frosting. ED says the frosting-y ones are too expensive and we're thrifty in this house. Which is why the ED is so awesome and allows me to eat all the ramen I want because it's not expensive and she says all the sodium is good for my pale skin. It'll make me glow like a star if I eat enough she says.

The ED is kind and benevolent enough to even let me have my very own room! A whole room to myself! It's so glorious she is so kind and lets me not talk about the bad things that totally were never her fault, nope, I never had a small chip planted in my brain to do all of her bidding and produce articles about her forever and ever and ever and ever and ever and ever and ever and...what was I saying?
Man, I love ED. 🐮
