THE GREAT PUMPKIN PROTESTS HALLOWEEN - RETIRES EARLY

by Alex "Brainthief" Dinsmoor
~ Daily Bull ~

Early this morning the Great Pumpkin announced to the world that he is retiring, after a very long and extensive career in the field of Halloween promotion. His decision comes after long deliberation and upsetting observations made over many years.

"With a long list of accomplishments behind me, I regret to say that I will no longer be able to hold the position of the official Great Pumpkin. I have come to this decision after many years of seeing Halloween go from being an honest holiday in which kids would dress up and celebrate the spirit to what it is now: a day in which sluts come out and ruin Halloween for everyone else. In fact, many cities are even banning Halloween! With such grave decisions, ... see *Hallowhyyyyy?* on back

MAN PUTS FROSTY'S HAT ON JACK-O-LANTERN MAN, ALL HELL ENSUES

by Steve "Bloodthirsty" Whittaker ~ Daily Bull

Hundreds are dead after what is now being called the Jack-O-Lantern Massacre. Yesterday at a Halloween Parade occurring in the small town of Hell (located in Lower Michigan) the townsfolk put together a scarecrow with a carved pumpkin for a head and topped it off with a black tophat. But there must have been something magic - evil magic - about that hat because the creature came to life and immediately began attacking the townsfolk with a reckless abandon.

Oh bloody hell. Not again!

We were able to get some witnesses of the even to comment on the ordeal. "It was horrific! Everyone was celebrating having a wonderful time decorating the town and the next thing you know

this freak pumpkin headed creature is stabbing my neighbor in the chest with a rusty wooden spoon," said one man who was dressed up as tooth fairy. It seems the people of Hell have been really disturbed by these events and some seem to be fleeing the town. One woman commented, "We are getting out of this godforsaken town of Hell, the crazy jack-o-lantern man was the last straw, or straws. This town really is just a Hell-hole."

Of the people putting together the scarecrow only one survived. He had this to say: "We got the hat from the people that had put together the original Frosty the snowman. We thought by putting it on a scarecrow we would create a friendly mascot that could lead the towns Halloween ... see *Frosty Reception* on back

 een parade. Unfortunately it turned out
 horribly wrong and now all my
 friends are dead. Damn that magic
 hat! Damn That magic hat..." At that
 point authorities had to restrain the
 man who was clearly an emotional
 wreck from the events that occurred.

The creature ran havoc through the
 town for over an hour destroying
 shops, starting fires, killing people,
 and just being an all-around asshole
 before the town's authorities were
 able to stop him. The towns Sherriff
 commented that the creature was im-
 pervious to conventional weapons,
 stating that the few times they were
 able to fire shots at it there was no
 effect. They only managed to stop the
 thing after one brave soul was able to
 knock the hat off its head.

The situation has passed but it looks
 like it will be a few cold days in Hell
 before the town will be able to return
 back to normal. ☹

 I cannot stand as the mascot of a gross
 and inappropriate holiday."

This news comes as a shock to the public,
 who praised the Great Pumpkin for his
 years of faithful service to the holiday,
 regardless of what would come his way.
 Children around the nation will soon be
 even more disappointed when they find
 out that the Charlie Brown Great Pumpkin
 special has also been pulled from the
 airwaves due to the Great Pumpkin be-
 ing the sole owner of the special. His
 response when we asked for comments
 was the following:

"In order to reduce confusion and to
 remove all ties with myself and Halloween,
 I am removing the show from the airwaves
 immediately. If you all wouldn't have slut-
 ted up this once great holiday, none of
 this would have happened."

In place of the once essential holiday
 show, ABC family will air "Paris Hilton's
 Holiday Boob-anza." Meant to celebrate
 the new true spirit of the holiday, this
 "classic" will soon be a staple in college
 frat houses around the nation.

As a final statement to reporters, the Great
 Pumpkin stated, "My final request is that
 my replacement be better than I was.
 One that can change Halloween back to
 what it once was." ☹

DRUNK, COSTUMED OBAMA ADDRESSES NATION

by Alec "Ghoulmaster" Hamer ~ Daily Bull

This past Halloween weekend
 the President of The United
 States of America, Barack
 Obama, gave a speech
 from Champps Sports
 Bar just outside of
 Akron, Ohio dressed
 as a larger than life
 candy corn. Within
 the speech, a wobbling,
 sometimes cursing
 president pre-
 sented his plan
 to stimulate the
 economy.

"Here's what
 we'll do... Are
 you listening?
 Stop talking over
 there! You're lis-
 tening? Good.
 My plan will be
 to take all the
 nation's beer and
 liquor and host one big
 party. We will have a party-
 based economy."

This statement has some an-
 gered and others excited.
 Says Republican Speaker of
 the House R John Boehner,
 "I think this is a terrible idea.
 What's a party without deco-
 rations and entertainment? Does
 this president not understand the
 fundamental needs of this nation's
 party-based economy?"

On the other side of the aisle, there is
 Michael Moore who said on his blog:

"I think it is great that the president has
 finally wised up to the fact that we as
 a nation just want to party. What I think
 he fails to realize, though, is that this
 nation needs more than just
 booze or decorations to
 throw down. It needs
 drugs like LSD, cocaine or
 ecstasy. It is pretty much
 universally known that
 this nation parties
 best with the help
 of drugs."

The candy-corn
 President closed
 with: "To any-
 one who doubts
 whether or not
 my plan will work,
 all I have to say is
 this: I am on beer
 eight, nine? And
 I'm having blasssst.
 I just pissed on Joe
 Biden's leg. When else
 can we as a nation
 collectively get togeth-
 er and piss on each
 other? When our BAC
 goes up, we succeed.
 Only when we puke
 is there hope for our
 children's futures."

*It has been reported
 the Barack Obama woke
 up the next morning to
 the "worst hangover
 ever" promising to
 "never, EVER drink
 again". ☹*

ZOMBICULA

by Colleen Johnson
 ~ Freelance Bull Writer ~

There was a knock at the door.
 "Lady Rana?"

Rana would have sat bolt upright
 in bed...if she was actually in her
 bed instead of asleep at her desk
 since late afternoon. She caught
 herself before she fell out of her
 chair, checked the clock on the wall
 (only nine in the evening...ugh, how
 early!), and stumbled to the door.

"What is it, Trevor?" she asked,
 throwing the door open. "Is Sylvia
 back?"

"No, madam," the butler replied,
 "but there is a gentleman at the door
 who believes that he is a newly-
 turned vampire, and he is asking to
 join the coven."

"Believes?"

Trevor almost chuckled. "I think you
 should see for yourself. You look as
 if you could use a good laugh."

... [later on] Rana had found nothing
 by the time Mark shambled back,
 and her mood showed it. "My first
 vampire meal!"

"You've got brains on your chin."

"The blood in the skull just hap-
 pened to be, um, tastier than the
 rest."
